

## GLOBAL WEBINAR

# Shining a light on MS learnings from the COVID-19 pandemic

**Thursday 23 September 2021**

19:30–20:30 BST | 14:30–15:30 EDT | 20:30–21:30 CEST

Chairs

**Trishna Bharadia**  
Patient Engagement Consultant  
and Advocate Living with MS

**Dr Aaron Boster**  
The Boster Center for  
Multiple Sclerosis

Our first PRISMS webinar, 'Shining a light on MS learnings from the COVID-19 pandemic', will look at this unprecedented time from the perspectives of people living with MS and caregivers. The topics covered will include individuals' experiences during the COVID-19 pandemic, as well as the current role of telemedicine in treatment and the possible implications for the future.

PRISMS will be a live TV discussion-style webinar for people living with MS, caregivers, neurologists, nurses, allied healthcare professionals and researchers. This event will feature four short presentations, each followed by a live discussion and interactive Q&A session.

This webinar will be translated into French, German, Portuguese and Spanish, and all content will be made available on demand after the live event.

**Registration is now open! Please share with your friends and colleagues who may wish to attend this event and find out more about future events.**
